Call for Elections 2017 Open positions on UEG Council

Notice is hereby given that the following positions on **UEG Council** are open for election.

- **Vice President**
- **Secretary General**
- **Chair Education Committee**
- **Independent Councillor**

Following Article 11 of the UEG statutes, Chairs of the Committees are elected already one year before the term of their predecessor ends to allow a smooth handover of business. The Chair Elect for the Education Committee will thus be elected on occasion of the 25th UEG Week Barcelona 2017 to allow efficient handover.

UEG is implementing Article 10 of the UEG statutes by giving notice of the elections prior to the Meeting of Members, Sunday, October 29, 2017 on occasion of the 25th UEG Week 2017 at the Fira Gran Via in Barcelona, where the elections will take place.

Significance of the open positions

To underline the fact that the open positions are of major relevance for the success and the development of United European Gastroenterology, UEG Council has developed specific job descriptions including essential criteria for candidates in terms of skills and experience.

Details for each position are available at <http://www.ueg.eu/about-ueg/open-calls/>.

A specific description of how the essential criteria are fulfilled by the candidate must be addressed in the candidate's mission statement and during the candidate's presentation to the Meeting of Members in Barcelona.

Nomination procedure

Please note that according to UEG Statutes only candidates supported by a [UEG Member Society](#)¹ can be considered.

For details on mandatory documents for nominations please refer to the individual job descriptions.

Deadline for nominations: September 22, 2017.

¹ i.e. Ordinary Member Society or National Member Society.

To submit their nomination, candidates are asked to use the online form at <http://www.ueg.eu/about-ueg/open-calls/>.
Nominations submitted via e-mail, fax or regular mail cannot be accepted.

Details of nominations for review by the Meeting of Members representatives will be published at the [myUEG](#) area prior to the Meeting of Members but no later than October 6, 2017.

UEG boards and committees aim to become better gender-balanced and to represent a wide range of European countries. Thus, whilst we welcome all applications, we would particularly welcome applications from women and from countries usually under-represented on UEG committees.

With kind regards,

Professor Michael Manns
UEG President
