Call for applications
Young Talent Group Members

The UEG Young Talent Group (YTG) is one of UEG’s working groups and consists of 7-8 ordinary members and a chair\(^1\). Their mission is to make today’s trainees tomorrow’s experts in research and clinical practice.

They develop initiatives in collaboration with UEG committees (e.g. networking activities during the annual UEG Week and the facilitation of international fellowships) and make strategic recommendations to UEG’s boards and committees. YTG members may be appointed as cross-representatives on UEG committees or collaborate with other UEG working groups.

The YTG now looks for 3 young and proactive volunteers that are motivated to shape and innovate current and future UEG initiatives, and to further strengthen the voice of young gastroenterologists in the work of the UEG. Their term of office will start on January 1, 2021 and end on December 31, 2022.

Please see the YTG guidelines for more detailed information about the group’s tasks and the requirements for its members.

In order to demonstrate appropriate representation of the target group, the age limit for new YTG members is 35 years (born January 1, 1986 and later). To preserve regional balance, the YTG is composed of 8 members from 8 different countries. Considering the composition of the group in 2021, candidates from Ireland, Romania, Slovenia, Spain and Switzerland cannot be considered in this round of applications.

To apply for a position in the YTG, please complete the form on the UEG Website. Describe your motivation to participate in the group, your ideas for the group’s work, and how you meet the requirements. Before that, make sure to familiarise yourself with what UEG is already doing for young specialists. In addition, we request a one-page CV and a written confirmation from the head of your department, in which they declare that you would be allowed to take this position according to the duties outlined in the guidelines and confirm that you may attend UEG Week and relevant business meetings.

**NOTE:** Make sure your CV fits on one page and the confirmation includes above mentioned details. Applications that do not fulfil these requirements will be rejected outright!

**Deadline for applications: March 20, 2020**

All applicants will be notified of their application results in June 2020 and successful candidates are encouraged to attend the YTG meeting at UEG Week 2020 to get the know the group and their activities.

\(^1\) After their term, the chair stays in the Young Talent Group as an ordinary member for one more year to consult the new chair in their task to guide and lead the committee.
